Conditions of Hire Hirers using Meat Market Lighting or gallery hanging systems will be required to complete an exhibition equipment usage agreement. Missing items will incur charges payable upon completion of hire. The Stables floor cannot have marking tape of any kind affixed. Damages caused by marking tape will require a full floor repaint. Labour and materials required will be charged to the hirer. Most hires are subject to requirement of a Technical Supervisor for bump-in and bump-out All events with the public in attendance will require a Technical Supervisor in attendance. Whilst every effort is made to ensure the listed stock is available and in good working order, please check specific items with the Meat Market Team prior to hire period. All requests for equipment must be made in writing to the Meat Market team. The equipment availability is based on a first come first serve basis and may incur hire charges. Any equipment that is damaged by use from a hirer will incur repair or replacement charges. Additional vision requirements may be arranged, please discuss requirements with the Operations Manager, charges apply.
